#### **Visiting Team Notes, Summary & Recommendations**

Explain friend's situation. The following pages are blank for you to take notes, provide a summary and necessary information of the situation. The questions below are a point of reference, you are NOT limited to providing only this information. The more information provided the better.

- 1. What is the Conferences' ability to provide direct support/assistance? Please explain.
- 2. What are the immediate, more urgent needs of the person / family?
- 3. Has the person / family in need requested assistance from another organization and, if so, which ones and what were the results?
- 4. How will the requested assistance help, and how will the friend/family improve their situation in the coming months?
- 5. What goals have you and the family / individual set to help them move towards self-sufficiency? (attending classes, counseling, special training, legal aid, etc.) How will they prepare for a similar situation in the future?

Continue if needed.
